

CONFIDENTIAL: Multi-Year Strategic Growth Plan & Series C Financing

CLASSIFICATION / ACCESS LEVEL: EXECUTIVE LEADERSHIP EYES ONLY

CONFIDENTIAL: This memorandum outlines leadership priorities for capital raising, business unit restructuring, and long-term valuation targets.

Series C Venture Financing: DMS Solutions is preparing to initiate a \$60,000,000 Series C funding round in Q1 2027 at a target pre-money valuation of \$400,000,000 USD. Lead discussions are underway with Apex Venture Partners.

Organizational Restructuring: Phasing out legacy on-premise professional consulting services by end of Q4 to refocus 100% of engineering bandwidth on the high-margin enterprise SaaS subscription product.

Revenue Goals: Target ARR trajectory: \$95M in 2026, \$140M in 2027, and positioning the company for initial public offering (IPO) readiness by late 2028.
